## The Union for Radical Political Economics URPE

Founded in 1968, the Union for Radical Political Economics (URPE) is an association of people devoted to the study, development, and application of radical political economics as a tool for building socialism in the United States.

We publish a quarterly journal, *The Review of Radical Political Economics*, the *URPE Newsletter* six times a year, and a variety of other radical economics materials.

We also provide a forum for debate and discussion through our national and regional conferences.
