The editors of Raw Materials Report welcome contributions on any aspect of raw materials policy. These can be full length articles (average length 4 000 words) or shorter comments on research in progress, book reviews, resource data etc. Critical comments on articles published in RMR are also most welcome. Contributions should be sent to the editorial office in Stockholm, Sweden. Manuscripts should be submitted in duplicate. They should be typed in double space with 5 cm margin, preferably with 40 strokes per line (including spacestrokes). Tables and figures should be on separate sheets. A summary, maximum 100 words, and a brief biographical note will be helpful.
