Raw Materials Report

All Rights Reserved. No part of this publication may be reproduced, stored in a retrieval system or transmitted in any form or by any means, electrical, mechanical, photocopying, recording or otherwise without the written permission of the Publisher.

The editors of Raw Materials Report welcome contributions on any aspect of raw materials policy. These can be full length articles (average length 4000 words) or shorter comments on research in progress, book reviews, resource data etc. Critical comments on articles published in RMR are also most welcome. Contributions should be sent to the editorial office in Stockholm, Sweden. Manuscripts should, whenever possible, be delivered on disk from IBM PC or compatibles, or from Macintosh, 5.25" or 3.5". A summary, maximum 100 words, and a brief biographical note will be helpful.
