

Raw Materials Report

INDEX 1994 VOL 10

Index of Authors Vol/No

Baba, Yozo, <i>Effects on supply and demand of alloying metals and PGMs by the birth of a new South Africa</i>	10/4
Bordonalli, S P, <i>Virgin versus mature reserves: a crucial dilemma for new investment</i>	10/1
Dansereau, Suzanne, <i>Mine migrancy in Zimbabwe and South Africa</i>	10/4
Eberhard, A A, <i>Policy options for the nuclear industry in South Africa</i>	10/1
Fernandes, T R C, <i>Chromite mining and ferrochrome smelting in Zimbabwe</i>	10/3
Fig, David, <i>Does South Africa's nuclear industry deserve to survive?</i>	10/1
Hegenberg, F E N, <i>Virgin versus mature reserves: a crucial dilemma for new investment</i>	10/1
Howitt, Richard, <i>Aborigines, bauxite and gold</i>	10/2
Land, Bryan, <i>Land tenure and artisanal miners in Papua New Guinea</i>	10/3
Lesko, A, <i>Chromite mining and ferrochrome smelting in Zimbabwe</i>	10/3
Machado, I F, <i>Virgin versus mature reserves: a crucial dilemma for new investment</i>	10/1
Mining Division, MITI, Japan, <i>The future of Japan's nonferrous metal smelting</i>	10/2

Mutemererwa, A, *Chromite mining and ferrochrome smelting in Zimbabwe*

10/3

Nzuma, R *Chromite mining and ferrochrome smelting in Zimbabwe*

10/3

Oroza, Gonzalo, *CIS mining industry in transition*

10/4

Radetzki, Marian, *Mineral exploitation - regional development in a historical perspective*

10/1

Robbins, Peter, *Guidelines for pricing control of South African mined products*

10/3

Roberts, A E, *Chromite mining and ferrochrome smelting in Zimbabwe*

10/3

Sinding, Knud, *Mining policy in Greenland*

10/2

Storm, Per, *Vanadium - sources, applications and markets*

10/3

Tegen, Andreas, *Western world gold industry: Ownership and control 1993*

10/1

Tegen, Andreas, *Western world vanadium industry: Ownership and control 1992*

10/3

Tian, Chuanming, *Chinese iron ore and royalty*

10/2

Tsomondo, B M C, *Chromite mining and ferrochrome smelting in Zimbabwe*

10/3

Index of Subjects Vol/No

Area Reports

CIS mining industry in transition

10/4

Mining policy in Greenland

10/2

Books review/received

Competitiveness in metals - the impacts of public policy, Editors Merton J. Peck, Hans H. Landsberg and John E. Tilton

10/1

Books received 10/1, 2, 3 & 4

Commodity Reports

Vanadium - sources, applications and markets

10/3

Debate

Does South Africa's nuclear industry deserve to survive?

10/1

Documents

Effects on supply and demand of alloying metals and PGMs by the birth of a new South Africa

10/4

The future direction of Japan's nonferrous metal smelting

10/2

Ownership & Control

Western world gold industry 1993 ...

10/1

Western world vanadium industry 1992

Editorial

The second decade

10/4

Special Reports

Aborigines, bauxite and gold

10/2

Chinese iron ore and royalty

10/2

Chromite mining and ferrochrome smelting in Zimbabwe

10/3

Guidelines for pricing control of South African mined products

10/3

Land tenure and artisanal miners in Papua New Guinea

10/3

Mine migrancy in Zimbabwe and South Africa

10/4

Mineral exploitation - regional development in a historical perspective

10/1

Policy options for the nuclear industry in South Africa

10/1

Virgin versus mature reserves: a dilemma for new investment

10/1
